

BUP COMPUTER PROGRAMMING CLUB

SPONSORSHIP PROPOSAL LETTER

TO WHOM IT MAY CONCERN

Dear Sir/Ma'am,

It is with great pleasure that we announce BUP CSE Fest 2026, organized by the BUP Computer Programming Club (CoPC). As our flagship national tech fest, this event brings together top talent from universities across the country's to celebrate innovation, technical mastery, and collaborative problem solving at Bangladesh University of Professionals (BUP).

Taking place from 29th & 30th September 2026, this year's fest features two grand national segments: an intense Capture The Flag (CTF) cybersecurity competition and a competitive Hackathon.

Partnering with us offers your organization a premier platform for nationwide digital reach and on-campus brand exposure, connecting you directly with Bangladesh's top emerging engineers, developers, and cybersecurity enthusiasts. Through this collaboration, your brand will play an active role in empowering the next generation of tech leaders while bridging the gap between academia and industry.

We would be honored to explore a partnership with your organization and look forward to building a landmark event together.

Kind regards,

Abu Sayed

President

BUP Computer Programming Club

Bangladesh University of Professionals

Established in 2008, **Bangladesh University of Professionals (BUP)** is a public university run by Bangladesh Armed Forces in Mirpur, Cantonment, Dhaka, Bangladesh. It aims to facilitate professional degrees and to run undergraduate, graduate, and postgraduate degrees through its faculties, affiliated institutes, academics, and organizations. Bangladesh University of Professionals emerges as a leading university for both professionals and general students through need-based education and research. The military administration at BUP enables a structured and controlled establishment where safety and security are given the utmost priority. All in all, Bangladesh University of Professionals upholds itself as a reputed institution that ensures a safe environment to learn and grow.

ABOUT BUP CoPC

BUP Computer Programming Club(CoPC) was created to provide a dynamic platform for students to grow in the fields of computer science and cybersecurity. Our mission goes beyond theory as we focus on cultivating practical, hands-on skills through engaging workshops, exciting competitions, and mentorship opportunities.

Guided by our motto, **“Code, Compete, Conquer,”** we strive to hone not only technical excellence but also a healthy competitive spirit that pushes members to explore new horizons in technology. Signature events like Intra BUP gaming contest, BUP CoPC capture the flag, and Intra Bup Programming Contest stand as testaments to this vision, bringing together talented minds to solve challenges, showcase creativity, and celebrate innovation. But COPC is more than just a tech club. We also value connection, culture, and community. Alongside our technical pursuits, we host cultural programs, gaming sessions, and team-bonding activities, ensuring our members enjoy a well-rounded experience that fosters friendships as much as skills.

In an ever-evolving digital world, staying updated with emerging technologies and sharpening coding expertise remain at the heart of what we do. Through COPC, like-minded individuals come together to learn, grow, and create a vibrant ecosystem of collaboration and discovery

CODE, COMPETE, CONQUER

Our club is dedicated to pushing technical abilities far beyond standard academic curricula.

We're a club of passionate competitive programmers, cybersecurity enthusiast. Rather than relying on common solutions and norms, we've constantly designed, deployed and maintained our own platforms and hosted regular competitions.

We believe success can be achieved though bridging theoretical foundations, **code it, compete with it and conquer** the dreams we cherish within ourselves.

INTRODUCING

2nd Edition

This marks as the 2nd Annual flagship event of **BUP Computer Programming Club** rebranded as **BUP CSE FEST 2026**.

2 GRAND Segments
50 Teams Each

CAPTURE THE FLAG

Ha<kathon>

Over the two segments contestants will have to go through **Preliminary Phase (Online)** to be selected on the **onsite finals**.

400

Onsite participants

29th , 30th

September
2026

1500+

Approx.

Online participants

DAY 1

Ha<kathon>

This marks as our 2nd National Hackathon

It's an intensive 6-hour competition aimed to drive innovation and team collaboration by challenging participants to design and build functional tech solutions for real-world problems under strict time constraints.

This Year's Format

- Top 50 Teams
- Team Size of 4
- Cross University Teaming

18 September

Online Preliminary

 **4 HOURS**

- **Before the Round:** Participants will receive orientation guidelines and a practice mock problem to get familiar with the format.
- **At Contest Start:** Problem sets will unlock alongside full requirements and scoring rubrics.

28 September

Online Round Finals

 **10 HOURS**

- Finalists will receive guidelines & question sets for the Online round.
- During this time, Finalists are expected to implement all the necessary prerequisites.

29 September

Onsite Finals

 **6 HOURS**

- **Location:** BUP Campus
- Finalists will be given the final round of the question sets and requirements. From there multiple rounds of judging will take place.

DAY 2

CAPTURE THE FLAG

This marks as our 2nd National Capture The Flag.

This is the definitive competitive cybersecurity contest where participants solve challenges related to **cryptography, web security, reverse engineering**, and more.

Find the flags, score points, and prove one's hacking skills in the competitive environment.

This Year's Format

- Top 50 Team
- Team Size of 4
- Cross University Teaming

Online Preliminary.

20 September

Participants will be provided with instructions prior for the preliminary rounds. Upon the starting of the contest, they'll be provided with the question waves in 2-3 hours.

 **6-8 HOURS**

Onsite Finals

30 September

Top 50 teams will be invited to onsite at BUP premise, where throughout the day they will engage in solving complex sets of problems and developing a solution to the proposed challenges.

 **6 HOURS**

Additional Segments

INTRA UNIVERSITY COMPETITIVE PROGRAMMING

A 3-hour competitive programming contest designed to challenge algorithmic problem-solving and coding skills in a high-stakes, onsite environment.

This Year's Format

- 40 Team
- Team Size of 3
- Intra University Teaming

22 September

Onsite Finals

40 teams will participate at BUP premise, where throughout the day they will engage in solving complex sets of problems and developing a solution to the proposed challenges.

INTRA UNIVERSITY

GAMING – FC26

A fast-paced, high-stakes football esports showdown where players showcase their stick skills, tactical setups, and competitive gameplay to claim the ultimate championship title.

This Year's Format

- Solo
- Intra University Participation

Knockouts

22 September

Registered players will be invited to onsite at BUP premise, where throughout the day they will engage with each other according to the match fixture which will be provided.

 **4 Minutes Half Time**

Finals

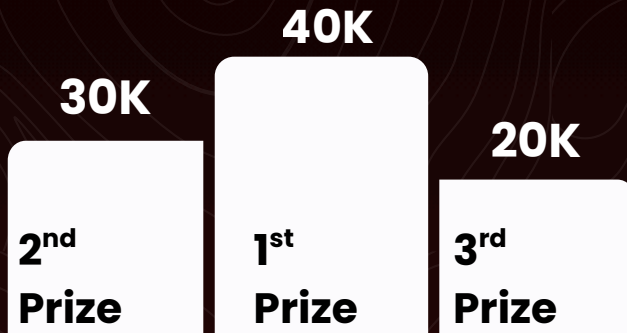

22 September

Top 2 qualifying players will battle it out onsite at BUP campus in high-intensity final match to claim the ultimate championship title.

 **6 Minutes Half Time**

SPONSORSHIP LEVELS

Title Sponsor

○ **PLATINUM**
BDT 1,75,000

Power Sponsor

○ **GOLD**
BDT 1,50,000

○ **SILVER**
BDT 1,00,000

Sponsors are warmly expected to provide cash sponsorship or cover expenses equal to the specified amount.

Title Sponsor

PLATINUM

The Platinum Sponsorship, valued at **1,75,000 BDT** offers exceptional benefits and prominence:

1. The event is officially billed as "**[Sponsor] presents BUP CSE FEST 2026**", granting full naming rights as the title sponsor.
2. The esteemed organization is invited to **present any of its current operational challenges** as the core problem statement for the Hackathon Onsite Finals.
3. Dedicated stalls and corners for **2 workdays** to promote sponsor services / products at prominent location for maximum engagement.
4. Event wide extensive visibility with **company's name** and **logo** featured on social media posts, teasers, and promotional materials.
5. Prominent Logo placement on all **live webpages** (both event pages & contest sites hosted throughout the event month).
6. Participant goodies (Notebook, Pen, T-shirt) to have the **most visible Logo placements**.
7. Special Gratitude expressed through dedicated posts on the Club's event page.
8. Valuable involvement as **2 executives** from the company to serve as **judges** in the onsite round of **Ha<kathon>**.
9. **Most dedicated speaking slot** during the Closing Ceremony for a company representative.
10. A company representative will be honoured with the privilege of personally presenting the trophies for **Ha<kathon>** and **Capture The Flag** at the closing ceremony.

Power Sponsor

GOLD

The Gold Sponsorship, valued at **1,50,000 BDT**, offers exceptional benefits and prominence:

1. The event is officially billed as "**BUP CSE FEST 2026 powered by[Sponsor]**".
2. Dedicated stalls and corners for 2 workdays to promote sponsor services / products at prominent location for maximum engagement.
3. Event wide extensive visibility with **company's name** and **logo** featured on social media posts, teasers, and promotional materials.
4. Logo placement on all **live webpages** (both event pages & contest sites hosted throughout the event month).
5. Participant goodies (Notebook, Pen, T-shirt) to have **dedicated Logo placements**.
6. Special Gratitude expressed through dedicated posts on the Club's event page.
7. Valuable involvement as **1 executives** from the company to serve as **judges** in the onsite round of **Ha<kathon>**.
8. A dedicated speaking slot during the Closing Ceremony for a company representative.
9. A company representative will be honoured with the privilege of personally presenting the trophies for **Ha<kathon>** and **Capture The Flag** at the closing ceremony.

SILVER

The Silver Sponsorship, valued at **100,000 BDT**, offers exceptional benefits and prominence:

1. Feature the **company's name** and **logo** on social media posts, teasers, and promotional materials as valuable sponsors.
2. Dedicated stalls and corners for 2 workdays to promote sponsor services / products at prominent location for maximum engagement.
3. Logo placement on all **live webpages** (both event pages & contest sites hosted throughout the event month).
4. Participant goodies (Notebook) to have **visible Logo placements**.
5. Special Gratitude expressed through dedicated posts on the Club's event page.
6. Valuable involvement as **1 executives** from the company to serve as **judges** in the onsite round of **Hackathon**.
7. A dedicated speaking slot during the Closing Ceremony for a company representative.

EVENTS BY BUP COPC

CSE TECH CARNIVAL 2025

Our Flagship annual event for the year 2025.

Programming Contests, Capture The Flag, Hackathon, Short Film and Gaming Contest were the key segments.

Planning ahead

Higher studies in Computer Science and Engineering

Our annual seminar for the year 2025.

It addressed the challenges, prospects and the necessities of higher studies in Computer Science.

ICPC Practice Contest

Our annual ICPC practice contest held each year before the ICPC Preliminaries as a Test of the Best team in BUP.

CSE TECH CARNIVAL 2025

Our **First** Annual Event had been a great success.

With over **350+** Contestants across **Hackathon, Capture-The-Flag, Programming Contest & Gaming Contest** over **2 event days**.
